Querida familia parroquial:
Espero que estén teniendo un buen verano y ojalá todos estén encontrando un buen momento para poder tomar unos días de descanso y salir de la rutina.
Quiero recordarles que a partir del día 19 de julio, ya pasando la última Misa en español, comenzaremos las obras de renovación parroquial. He estado en contacto con todo el equipo de trabajo y la verdad es que los encuentro muy motivados y con ganas de renovar y dejar la Iglesia preciosísima.
Hemos puesto la fecha del 19 de julio al 7 de agosto; quiero que sepan que haremos lo que más podamos para que todos los trabajos queden terminados en esa fecha. Si por alguna razón no pudiéramos terminar, celebraremos sin falta el 15 de agosto la Misa de apertura, pero tengo fe en Dios y en mi equipo de que todo quedará concluido en la fecha dada.
Las Misas dominicales en inglés, como ya les había dicho, serán en el salón parroquial en el horario regular. Las Misas en español las tendremos en el campo de fútbol el sábado a las 7 p. m. y el domingo a las 7 a. m. Las Misas diarias las tendremos en el salón parroquial.
Por su atención y comprensión, ¡¡¡¡mil gracias!!!!

Rev. Julio C. Dominguez

Dear parish family,
I hope you are having a good summer and hopefully everyone is finding a good time to be able to take a few days of rest and get out of the routine.
I want to remind you that starting on July 19th, right after the last Spanish Mass, we will begin the parish renovation works. I have been in contact with the entire work team and the truth is that I find them very motivated and eager to renovate and leave the Church looking beautiful.
We have set the dates from July 19th to August 7th; I want you to know that we will do the most we can so that all the work is finished by that date. If for any reason we could not finish, we will celebrate the opening Mass without fail on August 15th, but I have faith in God and in my team that everything will be concluded by the given date.
The Sunday Masses in English, as I had already told you, will be in the parish hall at the regular schedule. The Spanish Masses will be held on the soccer field on Saturday at 7 p.m. and Sunday at 7 a.m. The daily Masses will be held in the parish hall.
For your attention and understanding, a thousand thanks!!!!

CATHOLIC FUN FACT

Did you know that the modern musical notation system used worldwide today was actually invented by a 11th-century Benedictine monk named Guido d'Arezzo? To help his fellow monks learn chants more accurately, he created the four-line staff and popularized the syllable names for notes—Ut, Re, Mi, Fa, Sol, La—which were taken from the first syllables of a Latin hymn to St. John the Baptist. His brilliant invention revolutionized how music was taught, turning what used to take years of memorization into a matter of weeks and laying the groundwork for all Western classical music. It stands as a beautiful testament to how Catholic monastic life directly shaped the cultural and artistic fabric of our modern world.

WHY DO WE DO THAT? FALL IN LOVE WITH THE MASS

We go every Sunday, but do we know what's actually happening? Fr. Mike Schmitz breaks down the Catholic Mass in this beautiful walkthrough. From the "two-way mirror" of the elevation to the moment we "stake our lives" on the Amen, learn the history and heart behind every prayer. If you want to move from habit to heart-felt worship, this video is for you.

¿POR QUÉ HACEMOS ESO? ENAMÓRATE DE LA MISA

Vamos todos los domingos, pero ¿sabemos realmente lo que está sucediendo? En esta explicación detallada se desglosa la Santa Misa paso a paso. Desde la imagen de la iglesia como un barco que nos guía hacia el Padre hasta el profundo misterio del sacrificio en el altar, descubre la historia y el corazón detrás de cada oración. Si buscas pasar de la rutina a una adoración profunda, este video es ideal para ti.
