OICA

En el evangelio, vemos el mandato de Cristo a sus apóstoles invitándoles a ir por todo el mundo y predicar el Evangelio a todas las naciones. El mensaje es claro y muy hermoso: hagan discípulos a todas las naciones, es la misión "ad gentes" que la iglesia ha llevado a cabo desde el primer momento de su fundación. Como parroquia, estamos llamados también nosotros a extender esta invitación y abrir nuestras puertas a todos aquellos que deseen venir a conocer nuestra hermosa Iglesia. Te invito a convertirte en ese discípulo misionero, que extienda el llamado a todos aquellos que aún no conocen nuestra doctrina y nuestra liturgia, la vida moral y el gran legado que tenemos en la vida de los santos. Durante el mes de agosto estaremos inscribiendo catecúmenos para este próximo año, para comenzar el curso en el mes de septiembre. Si conoces a alguien interesado te pedimos ponerlo en contacto con la oficina para poder registrarlo. ¡Todos somos discípulos misioneros, vivamos ese llamado en nuestro entusiasmo por llevar el mensaje a todos nuestros hermanos!

OICA

In the gospel, we see Christ's mandate to his apostles inviting them to go into all the world and preach the Gospel to all nations. The message is clear and very beautiful: make disciples of all nations, it is the "ad gentes" mission that the church has carried out since the first moment of its foundation. As a parish, we are also called to extend this invitation and open our doors to all those who wish to come and know our beautiful Church. I invite you to become that missionary disciple, who extends the call to all those who do not yet know our doctrine and our liturgy, the moral life and the great legacy we have in the lives of the saints. During the month of August we will be registering catechumens for this coming year, to start the course in the month of September. If you know someone interested, we ask you to put them in contact with the office in order to register them. We are all missionary disciples, let us live that call in our enthusiasm to bring the message to all our brothers and sisters!

THE LAST FIVE WEEKS

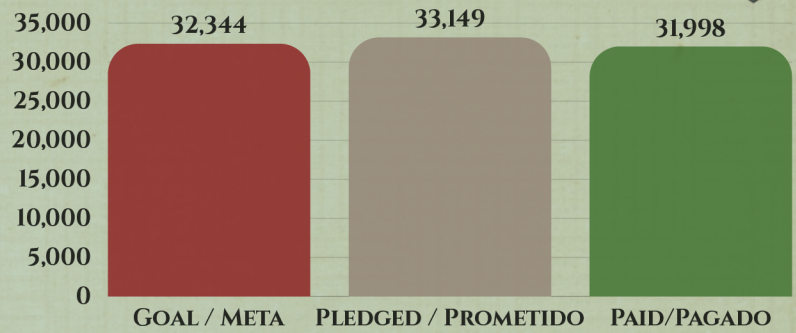

CATHOLIC FUN FACT

Did you know that the medical profession actually adopted the title "doctor" from the Catholic Church? The word comes from the Latin *docere*, meaning "to teach," and was originally created in the Middle Ages to designate those who held a Church-granted license to teach Catholic theology and canon law. Long before it was an academic degree, this Catholic identity was cemented in 1298 when Pope Boniface VIII officially recognized the first "Doctors of the Church," including Saints Augustine and Jerome. Over time, medical practitioners adopted the title to elevate their professional prestige, but the word's original and true home belongs entirely to the teachers of the Catholic Faith.

WHY DO WE DO THAT? FALL IN LOVE WITH THE MASS

We go every Sunday, but do we know what's actually happening? Fr. Mike Schmitz breaks down the Catholic Mass in this beautiful walkthrough. From the "two-way mirror" of the elevation to the moment we "stake our lives" on the Amen, learn the history and heart behind every prayer. If you want to move from habit to heart-felt worship, this video is for you.

¿POR QUÉ HACEMOS ESO? ENAMÓRATE DE LA MISA

Vamos todos los domingos, pero ¿sabemos realmente lo que está sucediendo? En esta explicación detallada se desglosa la Santa Misa paso a paso. Desde la imagen de la iglesia como un barco que nos guía hacia el Padre hasta el profundo misterio del sacrificio en el altar, descubre la historia y el corazón detrás de cada oración. Si buscas pasar de la rutina a una adoración profunda, este video es ideal para ti.
