A MESSAGE FROM FATHER JULIO | UN MENSAJE DEL PADRE JULIO

El evangelio de este día nos presenta una verdad que es tan necesaria en nuestra vida ordinaria y que tenemos que estar lidiando constantemente con ello, la corrección fraternal o corrección caritativa si queremos llamarlo así.

Pienso que a la mayoría de nosotros se nos hace incómodo corregir y muchas veces cuando ya corregimos es porque ya nos han colmado la paciencia. Una de las cosas que siempre debemos buscar en la corrección fraterna es no explotar en nuestras emociones y pasiones, o ejercitar el control y tratar de oprimir con nuestra autoridad al otro, sino por el contrario buscar el bien del otro, la caridad con el otro.

Una de las cosas más bellas a cultivar en nuestra vida es la constante persistencia de tratar de ver a Jesucristo en la otra persona. Eso sin duda nos ayuda a ver la dignidad que la otra persona tiene y de esa manera hará brotar la caridad y la compasión naturalmente antes de dar rienda suelta a nuestras pasiones como lo sería la ira y la desesperación.

Hay momentos en que es necesario corregir, pero siempre es bueno presentar la corrección de la mejor manera posible, no acusando, no violentando, sino mostrando el amor hacia el prójimo. Ciertamente habrá momentos en que la persona amada se cierre o no entienda la corrección y es allí donde nuestro Señor nos invita a presentarlo ante varios testigos, tal vez, antes que cualquier otra cosa para pedir por la conversión de esta persona y ayudarle a salir del mal que le está aquejando.

Hagamos que nuestra parroquia sea siempre un lugar de mucha caridad y armonía entre nosotros.

Rev. Julio C. Dominguez

The gospel of this day presents us with a truth that is so necessary in our ordinary life and that we have to be constantly dealing with, fraternal correction or charitable correction if we want to call it that.

I think that for the majority of us it is uncomfortable to correct, and many times when we do correct it is because they have already exhausted our patience. One of the things that we must always seek in fraternal correction is not to explode in our emotions and passions, or to exercise control and try to oppress the other with our authority, but on the contrary to seek the good of the other, charity with the other.

One of the most beautiful things to cultivate in our life is the constant persistence of trying to see Jesus Christ in the other person. That undoubtedly helps us to see the dignity that the other person has and in that way will make charity and compassion sprout naturally before giving free rein to our passions as would be anger and despair.

There are moments in which it is necessary to correct, but it is always good to present the correction in the best way possible, not accusing, not doing violence, but showing love towards the neighbor. Certainly there will be moments in which the loved person closes off or does not understand the correction and it is there where our Lord invites us to present it before several witnesses, perhaps, before anything else to pray for the conversion of this person and help them get out of the evil that is afflicting them.

Let us make our parish always be a place of much charity and harmony among us.

WE ARE STILL SEEKING DONATIONS FOR MICROPHONES!

We are currently down to just one operational microphone for our liturgies and are seeking to purchase two new ones (approx. $1,000 each). If you feel called to assist, any amount helps—whether it is $1 or $500. You may place your contribution in the Sunday collection basket in an envelope labeled "Tech", or donate online and write "Tech" in the note line.

Actualmente solo contamos con un micrófono en funcionamiento para nuestras liturgias y necesitamos adquirir dos nuevos (aprox. $1,000 cada uno). Si siente el llamado a colaborar, cualquier monto es de gran ayuda, ya sea $1 o $500. Puede colocar su donativo en la colecta dominical en un sobre con la leyenda "Tech", o donar en línea anotando "Tech" en la nota.

CATHOLIC FUN FACT

Did you know that 3:00 PM is known as the Hour of Mercy? This is the hour Jesus died on the cross for our sins. St. Maria Faustina Kowalska, a mystic who repeatedly had visions of Jesus, was given the mission of reminding the world of Jesus' infinite mercy. St. Faustina recorded in her diary that Jesus requested special prayer at 3:00 PM—promising an abundance of grace and mercy to those who pray the Divine Mercy Chaplet during this hour. "Through this Chaplet you will obtain everything, if what you ask for is compatible with My will. (Diary, 1731)

We pray the Divine Mercy Chaplet together here at St. Joseph's every Friday at 3:00 PM in the Church. Join us this week to pray together!

WHY DO WE DO THAT? FALL IN LOVE WITH THE MASS

We go every Sunday, but do we know what's actually happening? Fr. Mike Schmitz breaks down the Catholic Mass in this beautiful walkthrough. From the "two-way mirror" of the elevation to the moment we "stake our lives" on the Amen, learn the history and heart behind every prayer. If you want to move from habit to heartfelt worship, this video is for you.

¿POR QUÉ HACEMOS ESO? ENAMÓRATE DE LA MISA

Vamos todos los domingos, pero ¿sabemos realmente lo que está sucediendo? En esta explicación detallada se desglosa la Santa Misa paso a paso. Desde la imagen de la iglesia como un barco que nos guía hacia el Padre hasta el profundo misterio del sacrificio en el altar, descubre la historia y el corazón detrás de cada oración. Si buscas pasar de la rutina a una adoración profunda, este video es ideal para ti.
